Foodland's Annual Community Matching Gifts Program

How It Works

From Sept. 1 - 30, customers are invited to make donations of up to a cumulative total of \$249 per person, per organization to participating Hawaii non-profit organizations at checkout. Foodland and the Western Union Foundation will match a portion of each donation. *

What this means is that not only will you be able to designate donations to JASH, but JASH will receive matching funds from Foodland and Western Union. This money will support JASH's many programs for the membership and its youth education programs.

How To Donate

At checkout, **present your Maika`i Card and inform the cashier that you would like to make a donation to JASH.** If you do not have a Maika`i Card, you may request one.

JASH's five-digit registration code is 77966.

Your donation will be added to your grocery purchase total. You may give up to \$249 per organization (donations exceeding \$249 will not be matched). The amount you have donated to us and the name of our organization will appear on your receipt. Any donation must be made payable to Foodland or Sack N Save. Donor names will not be released to our organization, so if you would like us to know of your gift, please contact us directly so that we may properly acknowledge your gift.

Are These Contributions Tax Deductible?

These contributions are tax deductible to the full extent of the law. **Please save your store receipt for tax purposes** since it will be the only record you will have of your donation.

**How Matching Gifts Will Be Calculated*

Matching Gifts will be calculated after the end of the program. Organizations will receive 100% of all customer donations given to their organization, plus their percent of Foodland and the Western Union's \$285,000 matching gift. The portion of the matching gift that each organization will receive will be based on the total dollar amount of customer donations designated to that organization as a percentage of all customer donations received for all organizations.
